

**FRIDAY LETTER**

**August 3, 2018**

1. **Franchise lawsuit update.** The judge announced in his Wednesday conference call that he has ruled in our favor. I have attached a press release from the District's Association. The question now is whether the County will appeal. I will keep you posted on what I hear from Duncan and others.
2. **Wellpoint Status Report.** I have attached Dave's July report, which shows little change in the available raw water at the Springs.
