

## **FRIDAY LETTER**

**August 10, 2018**

1. **Legal costs.** We have our first bills from the attorneys in the franchise suit: one from Richard Jonson for \$379.00 and a second from David Jurca for \$4,169.00. We have already deposited \$1,000, which will continue to be held in a trust account to cover anticipated costs in August. Without objection, I will go ahead and cut checks for these. You will recall that our share of total costs is 7.58% based on the number of customers.
2. **Generator for the booster station.** I met with the Cummins guy at the site this afternoon. He says they want to add a VFD to the big 50 horse motor so they can keep the generator size and cost down. We will clear the site, pour the slab and add a slated chain link fence.
3. **Sanitary survey tasks.** Dave has completed many of the smaller recommendations in the recent survey report. We will go over the complete list at the next Board meeting.
4. **Tree cutting follow up.** Dave and I will meet with the County enforcement people on Thursday, August 21<sup>st</sup> for what they are calling a “pre-application” meeting. I suspect there are many steps ahead of us before we resolve this complaint.
